## **WELCOME BACK CLASSPACK!!**

Dear Parent,

Shopping for your child's school supplies at the start of a new school year can be a real hassle. The folks at Becker's School Supplies are hoping to make your life a little easier during such a hectic time—and save you money as well~ save up to 22% off the cost of items purchased separately!

A pre-assembled kit, called a Welcome Back ClassPack, for each student in each grade can be purchased **NOW** for pickup on Book Day. Each kit will contain almost all of the supplies necessary for students to start the year. These packs have been customized by each teacher to ensure that the contents meet the requirements for each grade level. Kits will be purchased from Becker's School Supplies, a recognized leader in the school supply industry since 1928.

Attached to this letter is our school supply list for each grade level. The list clearly delineates what is included in the Welcome Back ClassPack and what is not, along with the cost for each kit. Many of the items not included in the kit will be available here at school for purchase in MPH on Book Day as in previous years.

The Welcome Back ClassPack will be delivered to school and will be waiting for you to pick up in your child's homeroom on Book Day.

Please complete the attached order form and have your child return it to school **with your payment** no later than May 20, 2009. Please make checks payable to St. Bridget School.
