Code Socks! Check Out This Fun, Fundraiser

"Code Socks" are a new line of school uniform socks that feature fun, colorful patterns on the sole, heel and toe, but are solid white and navy on top, so they still comply with uniform dress codes. Code Socks are being offered to our school as a fundraising activity. We will earn 20% of any purchases made through our unique URL. Copy and paste this link into your browser to start shopping: http://www.codesocks.com/?a_=7

Code Socks are designed to be worn with a variety of school shoes, including Mary Janes. If shoes have a particularly low cut, please make sure your colors are hidden and you are still following the St. Bridget School dress code. They are offering girls' knee socks in one size, equivalent to US youth shoe sizes 12 to 5, suggested for ages 5 to 10. They hope to expand their collection to boys and older students soon. We will keep you posted!
