Dear Rising First Graders,

Summer is a time for children to run, swim, play...and read! Not only is summer reading fun, but it can help keep reading skills sharp during vacation. This can make it easier for a child to adjust when he or she returns to school in August. Summer reading should be a relaxing experience. Some of the following tips might help you to encourage your child to read during the summer:

- Read to your child
- Be a reader yourself
- Visit the public library
- Read together as a family
- Provide books and magazines which your child will enjoy
- Encourage your child to join a summer reading club

Please read daily with or to your child! We look forward to sharing titles that students read over the summer!

Sincerely,

The First Grade Teachers
