

Saint Bridget School

2021

Dear Rising Fourth Graders,

Moving to fourth grade is a big step and we can't wait to see you in August! We know how hard you worked all year to make great progress in reading and it's important to keep that effort going over the summer. Don't forget to visit your local library to select new and exciting books.

This summer you will build a tower of books. Your goal is to reach the top of the tower before returning to school in August. It only takes 10 books to get to the top! You will have one required book, along with a variety of choices. We have attached a suggested reading list, but feel free to read any book of your choice! After you read your books, please fill out your tower and bring it on the first day of school. We challenge you to see if you can build more than one tower over the summer!

We can't wait to see you in August! Happy Reading!

Sincerely,

The Fourth Grade Teachers
