

Saint Bridget School
2021

Dear Rising Kindergarten Students,

We are so excited to meet you in August and know we will share many wonderful books together. We hope you enjoy your summer and would like to share some of our favorite children's books and authors with you. We can't wait to find out which book was your favorite!

In the book, Reading Magic, children's author Mem Fox shares, "Reading is magical because it brings parents and children together for fun, bonding and giggles. It also helps promote a children's brain, social and language development. Reading aloud to young children, before they reach school age, is especially important to foster a love of books and reading. Children need to hear a thousand stories before they can begin to learn to read."

This summer, your focus should be to read 15-20 minutes daily and to enjoy as many books as you can! We encourage everyone to look into summer book clubs at your local library or bookstore.

We are so excited to meet you in a few weeks!

Sincerely,

The Kindergarten Teachers
